

American Buffalo: In Search Of A Lost Icon

By Steven Rinella

Spiegel & Grau

Steven Rinella brings a contemporary sensibility and a breathtaking grasp of the history of the buffalo in America with him on the hunt of a lifetime. In the process, he redeems the tradition of great writing by American outdoorsmen. Few books of this or any year offer such an immediate and lasting connection with the reality of our long and often tragic interaction with the natural world.

2009 PNBA Book Award Winner
